

Declaration of conformity of the product with technical regulations and declaration of placing the packaging on the market

Identification of the manufacturer or importer issuing the declaration:

Company: ADAM & PARTNER, s.r.o.
Address: Hradešínská 1102/4, Vinohrady (Praha 10), 101 00 Praha
ID: 26162351

Identification of the product:

Trade name: ZEG KEG 10L A-PRV bag-in
ZEG KEG 10L S-PRV bag-in

Description and designation of the product:

KEG beverage barrel, volume 10 L, weight 0.84 kg, color natural, packaging suitable for foods

Materials:

Packaging (barrel):	PET
Base:	PP
Immersion tube:	HDPE
Adapter:	PA/PP/TPE
Safety valve:	POM
Inner bag:	Aluminium/Polyethylene/Nylon

Identification of the conformity assessment method used:

§ 12 paragraph 3 point. a) Act No. 22/1997 Sb., on technical requirements for products, as amended - conformity assessment under specified conditions

List of technical and legislative regulations and harmonized Czech technical standards used for conformity assessment:

- Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC
- COMMISSION REGULATION (EC) No 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food
- ČSN EN 13428

We declare that the properties of the product meet the basic requirements for products specified in the regulations. The product is safe under conditions of normal use.

Based on the evaluation carried out (certificate no. 472117738-02), we declare that the product complies with the hygiene requirements for plastic products given by Decree of the Ministry of Health of the Czech Republic No. 38/2001 Coll. on hygiene requirements for products intended for contact with food and dishes, as amended, and Commission Regulation (EU) No. 10/2011 of 14 January 2011 on materials and articles made of plastics intended for contact with food, as amended. The product meets the requirements for limit values for the migration of substances limited by a specific migration limit.

We declare that the supplied packaging meets the requirements of § 3 and § 4 of Act 477/2001 Coll., On packaging, as amended, and the basic requirements defined in Article 9 (2) of Directive 94/62 / EC of the European Parliament and of the Council on packaging and packaging waste.

The packaging below has been designed and manufactured in accordance with the applicable technical standards and corresponds to the smallest possible weight and size for the given type of product.

Norm/Report	Requirement of assessment	Claim
1.1. Prevention through resource reduction	Ensure only the smallest possible quantity of material in the packaging system (EN 13428)	YES
1.2. Heavy metals	a) Ensure that their occurrence in the components is below the permitted limits (ČSN CR 13695-1)	YES
1.3. Other harmful/dangerous substances	b) Ensure compliance with (EN 13428)	YES
2. Reusable	We ensure reusability according to all requirements of the packaging functional unit standard (EN 13429)	NO
3.1 Utilisation by material recycling	Recyclability according to all requirements of the packaging functional unit standard (EN 13430)	YES
3.2 Use as energy	Energy recovery according to all requirements of the packaging functional unit standard (EN 13431)	YES
3.3 Organic use	Compostability according to all requirements of the standard for the functional unit of packaging (EN 13432)	NO

All technical documentation related to the declaration of conformity is available.
